Notice of Water Rate Increases

The Mt. Zion WSC Board of Directors approved a rate increase at its annual meeting. Mt. Zion WSC continues to work to contain operating costs and continually strives to be among the lower cost water suppliers in the area. This increase is necessitated by the recent rate increase for water imposed on us by our supplier and the costs of capital improvements required to provide adequate and reliable service to you, our customers.

The following rates will be effective on your May 2016 bill:

Water Rates

Minimum Base Rate per month	\$31.50
0-20,000 gallons	\$ 4.25 per 1,000 gallons
20,001-50,000 gallons	\$ 5.50 per 1,000 gallons
50,001-100,000 gallons	\$ 8.25 per 1,000 gallons
100,001 and over	\$11.25 per 1,000 gallons
